2. You are to bring all linens (sheets, towels, pillowcases, etc.) and toiletries. (soap, toilet tissue, trash bags, etc.) We supply the mattress pads, blankets, and pillows.
3. The kitchen is equipped with pots and pans, dishes, flatware, glassware, a mop, broom, and dustpan. We also provide a can opener, spatula, ladle, and a toaster. Other items you may want to consider bringing are paper products, wrap, foil, cleaners, trash bags, food and drinks. These items are usually much less expensive at home than at the beach.
4. Everyone is not required to be present at check-in, but it is preferred. *No one* will be given keys until *all* of the *rent* and *damage deposits* have been paid. This means that if someone is going to arrive later than the rest of the group, collect their damage money, so you will not have to cover that portion. Otherwise you will be unable to check-in.
5. Two keys are provided during your stay. Always lock your door. Guests without a key should coordinate with their group where friends will be, so not to be stranded waiting for their return. Leaving windows and doors unlocked is not recommended! Evidence of damaged screens, window sills, or door jambs will result in damage charges and/or eviction.
6. When you arrive, please park in the lot directly across the street from the building. We will be at your condo unit. If you are unable to find us please call the number above. We are located bayside, on the corner of 5th Street and St. Louis Avenue.
